

I build what I would want to see as a fan. I started in sports media with a keyboard and grew into roles spanning editorial, product, digital growth, social campaigns, documentary storytelling and global YouTube publishing. Most recently, I have worked across FIFA, FanCode, Premier League India and Liverpool India, while previously leading Hyderabad FC media and analysing sports experiences at Microsoft Bing.

PROFESSIONAL EXPERIENCE

Digital Content Manager

Red Lantern Digital Media

2026 - Present

- Lead global sports publishing for FIFA and client-led social work across FanCode, Premier League India and Liverpool India.
- Own FIFA YouTube packaging, SEO titles/descriptions, publishing cadence and optimisation; scale output from 7 to 10 videos per day.
- Head YouTube publishing for the FIFA U17 Women's World Cup and FIFA ASEAN Cup; build campaigns around LALIGA, ISL and The Masters for FanCode.

Media Manager

Hyderabad FC

Sep 2020 - May 2025

- Led a six-person media team across social, web, broadcast and print through the club's ISL Championship-winning era.
- Increased year-on-year digital engagement by 35% and managed partner-facing content with hummel, EA Sports, Dream11, Dafa News and Decathlon.
- Scripted and produced Future Is Us, a two-season sports documentary series for Disney+ Hotstar.

Content Analyst

Microsoft (Bing Sports)

2018 - 2020

- Improved the presentation of real-time scores, fixtures and sports information by working across editorial, product, data and API integrations.
- Built predictive models for Premier League and Champions League outcomes to support more personalised sports experiences.

Editor

The 4th Official

2016 - 2018

- Led a 10-writer team publishing 20+ articles daily, strengthening fast and reliable matchday editorial workflows.
- Expanded reach through consistent football analysis and global sports coverage.

Freelance Writer

Multiple Outlets

2014 - 2020

- Published 15,000+ football articles across global platforms and built an engaged readership of 500K+ fans.
- Served as the sole Indian columnist for RousingTheKop, specialising in Liverpool FC tactical analysis.

SELECTED HIGHLIGHTS

FIFA YouTube Publishing

Turned a 66.18M-view baseline into 127.33M peak monthly views through programming, SEO, metadata, packaging and archive livestream optimisation.

FanCode Global Events

Created and led launch and matchday social campaigns across LALIGA, ISL and The Masters, adapting global properties for Indian audiences.

Future Is Us

Scripted and produced two seasons for Disney+ Hotstar, translating a club journey into a character-led sports story.

Hyderabad FC Media

Built the club's day-to-day digital operation and led media delivery across social, web, broadcast and print during its championship era.

SELECTED CLIENT WORK

FanCode

Launch and matchday campaigns across LALIGA, ISL and The Masters, with creative built for Indian fan behaviour.

Premier League India

Regional memes and graphics for weekly updates, using live football conversation and relevant viral trends to sustain engagement.

Liverpool India

Geo-targeted regional content for the official Liverpool account, tailored to the Indian audience.
